YOUR WORLD OUR WORLD

Dear Candidate,

Thank you for the interest you have shown in the post of Learning Support Assistant at Shakespeare Primary School. The post represents a wonderful opportunity for someone to join a forward thinking staff team, in modern learning facilities with supportive parents. We have recently moved into a fantastic new building on a new site which offers amazing opportunities for children's learning.

The Learning Support role will be a permanent position.

At Shakespeare, support staff are a key part of the teaching and learning process and they play very active roles in classrooms. We have developed a wide range of expertise amongst our support staff who lead on reading interventions, pastoral support, speech and language and many specific learning interventions. Support staff are encouraged to be involved in other aspects of school life including 'Wake up Shake up', sports clubs and other after school clubs. Additional hours are available for those who take on these roles.

Whether you are looking to build a career in classroom support or are considering a career in teaching Shakespeare has something to offer you.

Many teaching assistant have been successful in securing places on teacher training courses as a result of the valuable experience they have gained through working as learning support at Shakespeare. As experience develops there are increasing opportunities to take on additional responsibilities within the classroom and across school.

Visits to the school are welcome by appointment. A wide range of information about the school is available on the school website. Please note that the closing date is **Friday 8th November 2019 at 12.00 noon.**

The Governors look forward to receiving your application.

Yours sincerely,

J. Gorton
