

Parent Voice Newsletter

20th November 2019

We asked parents to share some ideas about how we could communicate more effectively between school and parents. Twitter, texts, SchoolPing and letters were all discussed as possible platforms for communicating different things. This information will be reviewed and any matters arising will be shared at our next session.

Public Health shared about NHS Health Checks and immunisations, St Vincent's shared about their reading groups and EU migrant help sessions, LCC shared about the community connector scheme and Zest shared about their Thursday morning parent group. For more information please see Mrs Wilson or Mrs Linley at the school office.

We plan to meet at 8:45am Wednesday January and we welcome all parents. We will be discussing the topic of activity levels and there will be more community visitors sharing what opportunities are offered in our local area.

For those of you who are unable to attend but would like to contribute on this half term's topics, please send your ideas to office@shakespeareleeds.org.uk

As always, thank you for your support. We are looking forward to the next one already!
