Our Learning Project for Autumn 1 is 'A Child's War'

We will be investigating the effect World War Two had on the lives of children. English lessons will focus around novels set in war time and use what we learn to create a convincing evacuee letter home or diary entry. In our DT project we will create ration recipes and build an Anderson shelter. All pupils will create a short animation to show the effects of war that will hopefully be available to view on the school website. We will be using mapping and research skills to explore the location and features of Britain's largest cities. Through exploring sounds and songs of the war each class will create a song about the Blitz to perform. By creating their own electrical circuits and buzzers children will explore how messages can be sent using Morse code. If you have any expertise in this area or own any artefacts please speak to Mrs Wilson or Mr Feather.

Other Areas of Learning

- Maths- Solving problems involving: place value, the four operations and recall of facts
- PE- Basketball and teambuilding skills
- SEAL (Social and Emotional Aspects of Learning)- New Beginnings
- RE- Islam

Reminders

Any parents who wish for their child to have milk must see Mrs Milnes or Mrs Hepworth at the school office. This is charged at £18 for the whole school year.

Payments for Eden Camp and Whitby can be paid in class or at the school office.
