TOGETHER ANYTHING IS POSSIBLE

Shakespeare Primary School

Year 1 Newsletter Spring 1 Term 2019

Happy New Year!

Don't Forget...

Children need to have their book bags at school every day and read **at least 4 times a week.**

Please make sure that you practise your child's spellings with them as this will help to improve their reading and writing.

Please make sure that you help your child to complete their homework as this will support their learning in class.

Creative Learning Project for Spring 1 is Moon Zoom!

All our learning will be based around Moon Zoom!!! In English we will be designing our own alien and writing descriptions about the aliens we have designed. We will also find out facts about the moon and write a non-fiction text about what we have found out. We will look at the book 'Whatever Next!' We will use this as a stimulus for writing and retell this story. We will also look at the book 'The Man on the Moon' and write a diary about being on the moon. In maths we will continue to focus on counting both forwards and backwards and looking at how numbers are made. We will continue to look at calculating and missing number problems and also start to look at fractions of shapes and numbers. We will also look at measure. In science we will look at materials and their properties and also look at the moon. In art we will be making our own solar system using balloons. In History we will be looking at Neil Armstrong and finding out about his adventure landing on the moon. In DT we will be looking at moving toys and evaluating them and how we could make them better. We have an exciting half term ahead. We have already seen an alien crash landing site at school!!!

REMINDERS

Please make sure that your child has their PE kit in school every week.

1SH PE – Wednesday and Thursday 1LH PE – Tuesday and Thursday

1MH PE – Wednesday and Friday

Any questions please see your child's class teacher.
