Year 1 Newsletter Summer 1 Term 2019

Welcome Back!

Don't Forget...

Children need to have their book bags at school every day and read **at least 4 times a week.** It is important that children read to an adult and their diary is signed. This significantly helps children with their fluency when reading and also helps spelling and writing. Please make sure that you spend at least 5 mins every evening listening to your child read.

Help your child to learn their spellings. You can play games to make it more fun.

Important Dates

Friday 19th April – Good Friday (school closed)

Monday 22nd April – Bank Holiday (school closed)

Monday 6th May – Bank Holiday (school closed)

Creative Learning Project for Summer 1 is 'Paws, Claws and Whiskers!'

In English we will look at two stories 'How the Tiger got his Stripes' and 'The Tiger Who Came to Tea.' We will read both stories and then rewrite one and then we will look at writing a character review and a book review based on these stories. We will also do our guided reading around these books. In maths we will be focusing on multiplication and division and also how to solve problems linked to these. We will solve multiplication and division calculations involving the 2, 5 and 10 times tables. We will also start to look at fractions.

In art we will be drawing some different animals and use some collage to create different animals. In DT we will design our own tiger food packaging and then create and evaluate it. In geography we will look at big cats habitats and where these might be found in the world. In science we will be looking at different species and looking at similarities and differences between people and making graphs from these.

We have a busy and exciting half term ahead. We thank you for your continued support.

Reminders

Please make sure that your child has their PE kit in school every week.

1LH PE – Tuesday and Thursday 1SH PE – Wednesday and Thursday 1MH PE – Wednesday and Friday
