Tuesday 14th May – Arithmetic paper

Wednesday 15th May – Spelling

Thursday 16th May – Reading paper 1

Monday 20th May – Punctuation and Grammar paper

Tuesday 21st – Maths reasoning paper

Wednesday 22nd May – Reading paper 2

Creative Learning Project for Summer 1 is Muck, Mess and Mixtures!

All our learning will be based around different mixtures and making a mess!!! In English we will be looking at 'George's Marvellous Medicine.' We will be reading parts of the book and then using this for ideas for our writing. We will be writing character descriptions and a recipe for their own medicine as well as making one! Children will also retell part of the start and then write a poem linked to Grandma or the medicine. In maths we will be recapping what we have learnt so far. We will look at all four calculations, fractions and problem solving. We will also look at mass and will also look at telling the time to quarter past and quarter to and some children will read the time to 5 minute intervals. In science we will be looking at what happens when we mix different things together and predict what will happen when we heat things. This will include making some buns too! In art, we will be experimenting with mixing paints and creating different textures and creating a design to paint a medicine at the end of the half term. In design and technology we will be looking at where foods come from and healthy and unhealthy foods and creating our own healthy meals. We are looking forward to an exciting half term! We have a busy half term with SATs coming up. Children will be working hard in school, but we will be making sure that children are not concerned with the SATs. We will tell them that they are doing some 'special learning.' Please support us with this at home and ensure that children are not worried about these and reassure them that they just need to try their best!

We thank you for your continued support.

Reminders

Please make sure that your child has their PE kit in school every week.

2D PE – Tuesday and Wednesday 2C PE – Monday and Wednesday 2L PE – Monday and Tuesday

Any questions please see your child's class teacher or Miss Drew (Assistant Head Teacher)
