Year 3 Newsletter Summer Term 1 2019

Please remind your child that they can access Times Tables Rock Stars at home. This is a great website/app for tablets and phones that children can use to enable them to learn their times tables. We have a weekly competition in Year 3 to see who can be the best Rock Star!

If you have any questions please see a member of staff who will be happy to help or see Mr Doyle (Year 3/4 leader)

Creative Learning Project for Summer 1 is Tremors

This half term the children of Year 3 will be using the story "Escape from Pompeii" by Christina Balit as inspiration for our written work in English which is focussed around diaries, letters, poetry and scene setting. . In Maths the children will be learning about measurements of length and time. In Science we will be learning about rocks and soil and the different ways rocks are formed. The children will be encouraged to use scientific enquiry to gather information and record this in an accurate way.
