Don't Forget...

- Please don't forget to login to your Tapestry account regularly. This is where we will keep you updated with your child's learning. We also post home learning activities here for you to support the children at home.
- Lots of our exciting moments are tweeted. Follow us at @shakespearels9
- Please only arrive at school for your child's designated drop off time and collection time.
- Now that the days are getting colder, please ensure your child comes to Nursery suitably dressed and with a warm coat.
- If your child stays at Nursery for lunch, please bring a packed lunch.

- Wednesday 16th December – Nursery Xmas Party
- Friday 19th - Break up for Xmas Holidays
- A library book will come home on a Wednesday for you to share as a family

Hands, Face, Space campaign

Alongside our other safety measures we will continue to be talking to children about the government's 'Hands, Face, Space' campaign: urging the public to continue to wash their hands, cover their face and make space to control infection rates of Covid-19.

Our Learning Project for Autumn 2 is 'Ready for Adventures'

We continue to value the children's own contributions to their curriculum. Our next project is derived from our observations of the children's interests and learning needs. We have developed a project focused on reading, role play and journeys. As part of this project we will:

- Reignite the children's interests with the story *Whatever Next* by Jill Murphy, including a picnic on the moon!
 - Learn the story *We're Going on a Bear Hunt* by Michael Rosen, with our own bear hunt outdoors.
 - Explore the text *We're Going on a Treasure Hunt* by Martha Mumford, and have a fabulous treasure hunt around Nursery.
- Enjoy a fabulously re-vamped classroom with areas set up to support the theme.

In other areas of learning

- In Maths we will continue to develop the children's pre-counting skills by exploring and sorting objects and quantities.
- In Phonics we will continue with Phase 1 phonics where we are focusing on developing the children's auditory skills to prepare them for learning to read and write.
- The children will continue to enjoy an offer of a full session of outdoor play to keep healthy and active.
