Don't Forget...

- Children need to have their planners in school every day and if they read **4 times a week** they'll receive a raffle ticket
- Lots of our exciting moments are tweeted. Follow us at @shakespearels9
- The school website has an E-safety section with a comprehensive list of ideas of how to keep your child safe on the internet. Please take a look.
- Full school PE kit is needed twice a week. Children will have outdoor PE lessons and should also have black or navy blue track suit bottoms or leggings for when the weather is cold.
- Year 3 parents should enter the school site using the gate at the back of school (Dolly Lane entrance). There should only be one parent/carer with your child and we kindly request that adults wear masks.

Hands, Face, Space campaign

Alongside our other safety measures we will be talking to children about the government's 'Hands, Face, Space' campaign: urging the public to continue to wash their hands, cover their face and make space to control infection rates and avoid a second peak of Covid-19.

Our Learning Project for Autumn 2 is Scrumdiddlyumptious

Tuck in and enjoy a yummy journey of discovery, tasting fantastic fruits, venerable vegetables and tantalizing treats. Work up an appetite with delicious stories about food, have fun with a vegetable orchestra or become a fruity sculptor. Find exciting recipes to read – and write your own, too. Then get busy in the kitchen, making tasty dishes from across the world and discover how good food helps you grow fit and strong. Be a whizz and create your own scrumdiddlyumptious smoothie for Squeezy Joe and his team of fruity friends. And here's food for thought – if you are what you eat, what does that make you?.

This half term our learning project is all about cooking and nutrition. The children will be tasting fantastic fruits, venerable vegetables and tantalising treats. They will be getting busy in the kitchen making food from recipes they have written. In English we will be reading Charlie and the Chocolate factory by Roald Dahl and lots of our work will be based around this book.

The children will also be making 3D sculptures in Art using Mod Roc. We look forward to sharing our project work with you on Twitter and the school website.

Other Areas of Learning
