Miss Verolot
Miss Lawson
Miss Smith
Miss Baker

Mr Doyle
Miss Pickworth
Mr Ryan
Mrs Hardcastle
Miss Hussein
Miss Cartwright
Mr Dresner
Miss Siddle
Miss Butler
Mrs Cook

Don't Forget...

- Children need to have their planners in school every day and if they read 4 times a week they'll receive a raffle ticket
- Lots of our exciting moments are tweeted. Follow us at @shakespearels9
- The school website has an E-safety section with a comprehensive list of ideas of how to keep your child safe on the internet. Please take a look
- Full school PE kit is needed twice a week. Children will have outdoor PE lessons and should also have black or navy blue track suit bottoms or leggings for when the weather is cold
- Year 3 parents should enter the school site using the gate at the back of school (Dolly Lane entrance). There should only be one parent/carer with your child and we kindly request that adults wear masks

Key dates...

- PE days: 3F Monday and Friday; 3L Monday and Thursday; and 3S Thursday and Friday
- Spellings are given on a Monday and tested on a Friday.
- New reading books will be given out every Friday and collected on the following Friday
- Monday 11th January – Tribal Tales Day
- Friday 12th February – Training Day

Hands, Face, Space campaign

Alongside our other safety measures we will be talking to children about the government's 'Hands, Face, Space' campaign: urging the public to continue to wash their hands, cover their face and make space to control infection rates and avoid a second peak of Covid-19.

Our Learning Project for Spring 1 is Tribal Tales

Let's travel back to prehistoric times!

Our learning will be based around History and Prehistoric Britain. We will be learning how people lived from The Stone Age to The Iron Age. In English the children will be writing adventures stories, poetry and fact files. In Maths we will be learning how to multiply and divide 2 digit numbers by 1 digit numbers. Children will need to know their 2, 4 and 8 times tables by the end of this half term. We will also be learning about adding and subtracting money and pictograms, bar charts and tables. In Science we will be learning about metals and magnets. In geography the children will learn about map work and the local area. In Art and DT the children will be learning about patterns, designs and structures in Prehistoric Britain and replicate these with their own designs!

Other Areas of Learning

- PE- The Daily Mile and running skills, Improving aerobic fitness
- PSHE- Developing emotional resilience
- Computing- Basic computer skills including emails, typing and document editing
