 - 6F – Monday and Tuesday**
 - 6P – Tuesday and Friday**
 - 6T – Monday and Tuesday**
- **We break up for Christmas at 3pm Friday 17th December**

Our Learning Project for Autumn Two is...

Blood Heart

How do you maintain a healthy heart and what's the point?

Crimson, scarlet, burgundy, cherry. Blood flows through our bodies in all its vibrant shades of red. Let's explore our circulation system. Find out how to keep your heart happy with cardiovascular exercise and healthy food. Kickstart a campaign to spread the word about the benefits to our community by giving blood. In our English lessons we will be reading Pig Heart Boy. Using themes from the books we will write a persuasive speech, a newspaper article and create a biography. We look forward to showcasing our scientific heart sketches and mixed media final art pieces to all Year Six families via Twitter and the school website. In Science we will dissect a lamb's heart, explore how the blood flows around our bodies and develop an understanding in PE how important our hearts really are. If you have any expertise in these areas, please speak to Mr Feather or your child's class teacher.

Maths

- Multiplication, Division, Fractions

Other Areas of Learning

- PE – Gymnastics and Health Related Fitness
- PSHE – Puberty and Mental Health
- RE - Christianity
