

# Shakespeare Primary School

## Year 1 Newsletter Spring 1 Term 2022

### Don't Forget...

- Please read with your child 4 times a week and fill in their 'Read and Respond'.
- They must bring their book bag into school every day with their books inside.
- Lots of our exciting moments are tweeted. Follow us at @shakespeareLS9
- The school website has an E-safety section with a comprehensive list of ideas of how to keep your child safe on the internet. Please take a look.

### Important Dates

- PE Days – **Please come to school in your PE kit.**  
1B Wednesday and Thursday  
1H Tuesday and Thursday  
1W Wednesday and Friday

Our Learning Project for Spring One is...

## Moon Zoom

### Who and what has moved on the moon?

All our exciting learning this half term will be based around space and the moon, including looking at astronauts and what it is like to be one! We will start this term by becoming astronauts and will even get to try our very own space food! In English we will be using the book 'Man on the Moon' to write a setting description for space and the moon using wonderful adjectives to make our writing exciting. We will also be reading lots of interesting facts about Neil Armstrong and then using these to write our very own fact file about his life and achievements. We will look at the book 'Whatever Next!' and will use this as a stimulus for writing a new version of this story. In science we will look at materials and their properties and also look at the solar system. In art we will be making our own solar system in a style based on the artist Kandinsky. In history we will be looking at the space race, putting the events into the correct order. After that we will discover all about Neil Armstrong, finding out about his adventure landing on the moon. In DT we will be designing and making our very own moon buggies making sure that we have the best axles and wheels to ensure they can move. We have a busy and exciting half term ahead. Please make sure that your child is in school every day and on time so they do not miss any exciting learning opportunities. We thank you for your continued support.

#### Maths

- Place value within 50, addition and subtraction to 20

#### Other Areas of Learning

- PE – Dance and Net and Wall Skills
- PSHE – Drugs and alcohol, what we put into our bodies
