Our Learning Project for Spring 1 is...

## Pharaohs

### What are the Ancient Egyptians famous for?

We will be using our historical skills to learn about the lives, deaths and achievements of the Ancient Egyptians we want to find out what made them such great world leaders for such a long period of time. We will be visited by a real life historian from Leeds Discovery Centre. This half term we will be reading, 'The Search for Tutankhamen' and 'Marcy and the Riddle of the Sphinx'. Our new-found knowledge will be used to letter a letter in role as Howard Carter and an additional chapter in our quest story. In geography we will learn to locate Egypt on a map of Africa and we will study the features of Egypt's most famous landmarks including the River Nile. We are also looking forward to another incredible art project, this time inspired by cubism. We will develop our skills using pastels and geometric shapes to design our very own Ancient Egyptian nemes. If you have any expertise in this area or own any artefacts please speak to Mrs Wilson or Mr Doyle.
