Pre- School	Autumn 1	Autumn 2	Spring 1	Spring 2	Summer 1	Summer 2
Project	BIG WORLD, LITTLE ME	LEAVES AND SNOWFLAKES	ONCE UPON A TIME	DOWN ON THE FARM	NURSERY ON THE MAP	WRIGGLE, HATCH, FLY!
Key Question	What makes me special?	Why are the leaves changing colour?	Can you retell the story?	What happens on a farm?	Where am I on a map?	What is a minibeast?
Breadth of Project	Key Person, immediate family, homes, relationships	Seasonal changes, the natural world, special celebrations	Book handling, storytelling, story mapping, retelling familiar stories	Exploring farm animals and their babies, learning how to look after living things, planting	Homes, the local community, exploring other countries around the world	Exploring insects, growth and change, investigating lifecycles
Core Texts	I am Received and the second and the	GOODBYE AUTUMN, HELLO WINTER	Cudybird First Faveerrite Telet	Amara's Farm	Baby goes to Market Market	THE VERY HUNGRY CATERPILLAR Dr Ede Carle

		changes and collect Autumn treasures.				
Visits and Visitors	Stay and Play parent sessions to help the settling in process.	Autumn walk around the school grounds.	Author Visit from Steve Weatherill for World Book Day.	Visit to the mobile farm.	Visit from local artist with a focus on junk modelling houses and buildings.	Lots of visits to the Reception classrooms.
Community Links	Festival celebrations	Festival celebrations	Festival celebrations	Festival celebrations - Easter	Festival celebrations	Festival celebrations
Literacy	ReadingChildren will be:Choosing favourite or familiarbooks to share with an adult.Learning to recognise their ownphoto card.Watching adults model sharedreading.Watching adults model shareddrawing and writing.WritingChildren will be:Exploring a range of tools andexperiment with these to makemarks on paper.Engaging in early mark makingwhich focuses on the 'Big WorldLittle Me' theme of themselvesand their family.Watching adults model shareddrawing and writing.Phonics - Phase 1Children will be:Showing an interest in nurseryrhymes and songs.Noticing environmental sounds.Making sounds with instruments.	ReadingChildren will be:Joining in with repeated refrainsin favourite or familiar stories.Looking at books independentlythe correct way up and turningpages.Mark making in response tostories, such as basic, simplestory maps.Recognising own name card(with photo prompt).WritingChildren will be:Distinguishing between thedifferent marks they have made,giving them meaning.Creating action drawings torepresent movement, such aswater or a fast car.Phonics - Phase 1Children will be:Distinguishing between twosounds, such as two differentinstruments.Exploring sounds that can bemade with the body or voice.Singing a repertoire of nurseryrhymes and songs.	Reading   Children will be:   Choosing books to look at and   handling them with care.   Beginning to use story or   narrative-related vocabulary they   have learnt from books.   Learning Talk4Writing actions to   join in with stories.   Recognising their own name   card.   Exploring environmental print,   such a knowing what logos and   signs mean.   Writing   Children will be:   Making marks that are becoming   more representative as a   drawing (e.g. a figure).   Consistently ascribing meaning   to their own marks in a range of   play situations.   Phonics – Phase 1   Children will be:   Playing with familiar rhymes and   songs by innovating particular   parts and noticing what is   different.   Filling in a missing word from a	ReadingChildren will be:Confidently handling andenjoying a range of books,including fiction and non-fiction,turning pages in sequence.Know which is the front coverRegularly using story ornarrative-related vocabulary.Talking about key events orcharacters in a story.Sequencing a range of eventsfrom a story (e.g. a selection ofstills).Using Talk4Writing to retellsimple stories from a simple storymap prompt.Recognising own and others'name card.WritingChildren will be:Creating drawings that arebecoming more purposeful andrecognisable.Creating scribble as arepresentation of writing andletters.Learning how to copy theirname.	ReadingChildren will be:Listening attentively to storiesand recalling key events.Consistently using story ornarrative-related vocabulary.Showing interest in text orgraphemes in books.Showing awareness of somefamiliar letters they have learntfrom books.WritingChildren will be:Creating drawings that arebecoming more complex anddetailed.Creating scribble from left toright as a presentation of writingin English.Ascribing meaning to scribble.Engaging in other forms of'playwriting' throughout theprovision.Forming mock letters.Writing some of the letters intheir name from a name card.Phonics – Phase 1Children will be:	Reading   Children will:   Retell stories to themselves and others.   Retell stories using a range of resources such as puppets, props, photos, story maps, etc.   Talk about stories in detail with adults and peers.   Writing   Children will be:   Creating drawings that are obvious representations of other things.   Creating letter strings as representations of writing with some letters formed correctly.   Ascribing meaning to letter strings.   Writing most or all of their name independently.   'Playwriting' for a range of purposes and in a range of forms.   Phonics – Phase 1   Children will:   Know some letter names and

Maths	Children will be: Exploring spatial reasoning. Practising their matching skills. Sorting by object, category and colour. Exploring environmental patterns.	<i>Children will be:</i> Exploring size. Sorting by size. Exploring ABAB patterns. Comparing.	Enjoying the melody of alliteration, noticing there is something special about how the words sound.	Children will be: Enjoying rhyming and rhythmic activities. Showing awareness of rhyme and alliteration. Recognising rhythm in spoken words. Listening to and joining in with stories and poems, one-to-one and also in small groups. Joining in with repeated refrains and anticipating key events and phrases in rhymes and stories. Learning how to identify the initial phonemes in words. Children will be: Exploring and learning about 2D and 3D shapes. Developing their spatial reasoning skills. Using positional language.	Exploring syllable awareness by clapping the syllables in familiar words (e.g. their name). Beginning to orally blend and segment the phonemes in words. Talking about letter names and sounds.	Be able to orally blend and segment words. Be able to identify initial phonemes in words.
Communica tion and Language	Children will: Watch an adult model shared reading. Choose a favourite or familiar book to share with an adult. Join in with repeated refrains in favourite or familiar stories. Respond to the noise of the tambourine to signal significant points of the session. Become increasingly aware of	Children will: Watch an adult model shared reading. Choose a favourite or familiar book to share with an adult. Talk with others to solve conflicts and work with others effectively to reach a common goal.
Understand ing the World	Children will: Get to know their new environment, friends and adults. Explore toys in the environment and how they work. Exploring and talking about the physical differences between ourselves and others. Explore toys in the environment and how they work. Exploring and talking about the physical differences between ourselves and others. Talk about our immediate family members and extended family (grandparents, aunties, uncles, etc). Explore baby photographs to compare and contrast then and now.	Children will: Explore the changes from Autumn and Winter. Carry out a range of tasks which focus on changing materials from one state to another, including cooking, freezing and melting. Make choices about the buttons/icons to press, touch or click on when using simple software/hardware.	Children will be: Meet visitors from the local community, such as members of the emergency services and important staff from the wider school. Continue to develop an understanding of the differences between ourselves and others. Make choices about the buttons/icons to press, touch or click on when using simple software/hardware.	Children will be: Explore the changes as we move fully into spring, including growth and change in the natural world. Plant a range of hardy seeds or beans. Explore how natural items decay over time. Explore sunlight and shadows, including using materials to block or filter light. Explore floating and sinking, including forces (items pushing up when submerged). Make choices about the buttons/icons to press, touch or click on when using simple software/hardware.	Children will be: Explore the world as the wider community, contrasting other countries with Leeds. Look at photographs and a diverse range of stories from other countries, highlighting the differences and similarities. Include home country stories of families in the cohort if this is not Leeds. Explore the different animals we might find in different environments.	Children will be: Explore the changes as we move fully into summer, including growth and change in the natural world. Find out about insects and other creatures that live in the immediate environment. Learn about the lifecycle of caterpillars through a hatching activity.
