

Evolve, Adapt, Inherit

How have living things on Earth changed over time?

Project Questions

- How do living things and their offspring differ?
- How is an organism adapted to live in its habitat?
- How have animals adapted to survive? Give two examples
- What can fossils tell us about life on earth millions of years ago?
- How does adaptation lead to evolution?
- How did Wallace and Darwin come up with the idea of natural selection?

Visits and Visitors

Meet author Stuart Lawrence

Shakespeare 60

Raise money for charity, meet an author

ATTENDANCE

NEVER ABSENT
NEVER LATE

- ✓ Well done to all the children who had 100% attendance last half term! This is a brilliant achievement.
- ✓ Please continue to support us in helping your child reach their full potential by ensuring they attend school **every** day.
- ✓ Attendance has been impacted by sickness absence this half term.
- ✓ Whole school attendance so far this academic year is **96%**.
- ✓ Attendance in Year 6 last half term was **95.7%**. Please let us know if you would like support with your child's attendance.

✓ To report an absence please contact us on the number below:
