

Grow and Flow

How do plants survive and do they play a role in the water cycle?

Project Questions

- What are the male and female parts of a plant called?
- What part does pollination play in a plant's life cycle?
- Can you name two ways that a plant can be pollinated?
- How are seeds dispersed?

Visits and Visitors

Visit Temple Newsam, visit from author Chris Mould

Shakespeare 60

Go on a hike, climb a tree, learn first aid, learn the countryside code

Golden Themes

Sustainable development- • people's dependencies on the environment • basics of climate change (causes and effects)
• environmentally responsible living and global inequalities in ecological footprints
