

Year 5 Weekly Learning Update

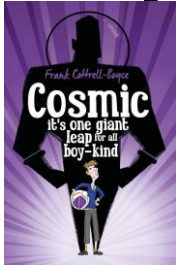

Spring 1, Week 2

Spelling

We are using different strategies for learning words.
We are learning words from statutory and personal spelling lists.

Literacy

We are reading Cosmic by Frank Cottrell-Boyce.
We are summarising what we have read.
We are learning how to use commas accurately within complex sentences.
We are learning how to use **subordinate** conjunctions to improve the flow of our writing and link points together.
We are writing a prequel to the story of Cosmic using a variety of writing techniques to engage the reader.

Maths

We are dividing four-digit numbers by a one-digit number.
We are using a division method where the answers have remainders.
We are solving problems involving multiplication and division.
We are completing our end of unit assessment.

I can spell words using Look, Say, Cover, Write, Check.
