

Year 2 Weekly Learning Update

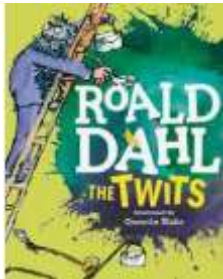

Summer 2 Week 7

Spelling

We are writing words containing the different spellings that we have looked at
We are writing sentences containing the different words that we have looked at
We are recapping any spelling patterns that we still find tricky

English

We are reading 'The Twits' by Roald Dahl
We are reading the next chapter and thinking about what we know
We are answering 'Decode' questions on a text, thinking about what different words mean in a sentence
We are writing a letter to our new teacher telling them all about us

Maths

We are recapping numbers to 100 and looking at place value
We are recapping the names of 2D and 3D shapes
We are recapping their properties
We are recapping measure and what different units are used to measure length, height and weight
